

# manifold rail

## VABM-C7-12P-G18-7

Part number: 552657

FESTO

For VOVG solenoid valve, with internal auxiliary pilot air.

## Data sheet

| Feature                                 | Value                         |
|-----------------------------------------|-------------------------------|
| Max. number of valve positions          | 7                             |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| Product weight                          | 189 g                         |
| Pneumatic connection, port 1            | G1/8                          |
| Pneumatic connection, port 3            | G1/8                          |
| Materials note                          | Conforms to RoHS              |
| Material manifold                       | Wrought Aluminium alloy       |
